POLICY ON THE ACCESS TO THE CITIES HOSTING 2018 FIFA WORLD CUP

Information for foreign road passenger carriers

Policy on Bus Access to the Cities Hosting the 2018 FIFA World Cup*

For security purposes, all buses are required to be equipped with satellite navigation hardware supporting information transfer to Autonomous Non-Profit Organization 'Transport Directorate of 2018 FIFA World Cup Russia', otherwise they will not be allowed to access any of the 11 cities hosting the 2018 FIFA World Cup.

Besides, bus owners are obliged to be registered at and submit the detailed request for the planned route of each bus on bus.transport2018.com, a dedicated resource of Autonomous Non-Profit Organization 'Transport Directorate of 2018 FIFA World Cup Russia'.

The above-mentioned requirements shall be effective from June 1, 2018 to July 17, 2018 in Moscow, Saint Petersburg, Kazan, Nizhny Novgorod, Rostov-on-Don, Samara, and Sochi; from June 1, 2018 to June 30, 2018 in Volgograd, Yekaterinburg, Kaliningrad, and Saransk.

Information for foreign road passenger carriers**

Foreign road passenger carriers need to install satellite navigation equipment - the Platon State System on-board units – during the 2018 World Cup.

Carriers will be granted free of charge temporary usage of the Platon on-board units after the security deposit is paid. The full amount of such security deposit will be given back if and when the on-board unit is returned. The installation and connection of any on-board unit shall be free of charge.

Each of the Platon on-board units shall be assigned to a dedicated vehicle and may not be used in any other bus.

Bus drivers may make an emergency call to emergency response services by pushing a button on the on-board unit. For details of the functionality and meaning of indicators, please consult the on-board device user manual.

*pursuant to Presidential Decree of the Russian Federation No. 202 of May 9, 2017
